Report Title: ICE ERO Atlanta – Facility Demonstration – May 27, 2017

On May 27, 2017, from 1355 to 1640 EDT, Georgia Detention Watch (GDW) conducted a candlelight vigil commemorating the recent passing of Jean Carlos JIMENEZ-Joseph, A204603723—2017SIR0012935, a national of Panama detained by ICE at the Stewart Detention Center (SDC) in Lumpkin, Georgia prior to his death.

Approximately 19 people participated in this protest with no incidents or arrests reported.

BACKGROUND:

This is the tenth year that GDW and other organizations have conducted demonstrations at SDC.

Two additional protests are planned on May 27, 2017, in regard to JIMENEZ's death. The second site is the Governor's Golf Club located in Brentwood, Tennessee scheduled from 1730-1830 with an estimated number of 119 participants, attendance indicated by Facebook. Any measures to address security concerns are unknown.

The third site is the City Center Church located in Lenexa, Kansas from 1800 – 1930 with an estimated number of 68 participants, attendance indicated by Facebook. Any measures to address security concerns are unknown.

GDW consists of organizations and individuals that advocate alongside immigrants, "to end the inhumane and unjust detention and law enforcement policies and practices directed against immigrant communities." The coalition includes activists, community organizers, persons of faith, lawyers, and others. Although the main organizer of the SDC demonstration is GDW, several other non-government organizations participate, to include, Alterna, the American Civil Liberties Union of Georgia, the Coalicion de Lideres Latino, the Georgia Latino Alliance for Human Rights, the Open Door Community, and El Refugio.

This SIR narrative was reviewed and approved for submission by Deputy Field Office Director George A. Sterling.

We know from the housing history that he was housed in medical for that time and from the IHSC report that they noted suicidal ideations on the 8th. However I don't have a paper trail that he was actually on suicide watch, only housed in medical under observation. Thus the edit below.

The EARM notes and the E/S indicate that IHSC acknowledged Subject has "medical" issues that were being treated. (b)(5)

(b)(5)

- Most of his medical issues (and medication) were related to mental health as indicated by IHSC, but he also had asthma and was on an albuterol inhaler (also indicated by IHSC)

(b)(5)

- That was another incident, but yes, he was in disciplinary segregation at the time of this occurrence. This period of segregation began on 4/27/17 and he was due for release on 5/19/17 – Notes from SRMS:

(b)(6);(b)(7)(C) On April 27, 2017 Detainee Jimenez-Joseph Jean #204603723 was housed in the SMU for any act that could endanger a person and or property (code 223). This incident involved detainee jumping from the top tier to the bottom tier in Unit4B. On May 2, 2017 the Confinement Review Committee reviewed Jimenez-Joseph case recommending that he remain segregated from the general population for Administrative reasons. On May 2, 2017 the Institutional Disciplinary Panel Hearing was conducted and the detainee was found guilty of Code 223 and was sentenced to 20 days of disciplinary segregation. On May 2, 2017 Detainee Jimenez-Joseph Jean #204603723 received a disciplinary report for Indecent exposure (code 300). This incident involved detainee calling the nurse to come to his door and exposing himself. On May 5, 2017 the Institutional Disciplinary Panel Hearing was conducted and the detainee was found guilty of Code 300 and was sentenced to 3 days of disciplinary segregation. On May 9, 2017 the Confinement Review Committee reviewed Jimenez-Joseph case recommending that he remain segregated from the general population for Disciplinary reasons. Release Date: 5/19/2017

ERO Atlanta,

I need the following addressed **ASAP** for AD:

The EARM notes and the E/S indicate that IHSC acknowledged Subject has "medical" issues that were being treated. Apart from physical problems of which I find no mention made, isn't it more accurate to state that Subject was being treated for "mental health issues" (see IHSC email attached)?

Subject in SHU – wasn't he placed there for disciplinary seg? I see in EARM he had gotten into a fight with another detainee and that he had to clear medical before going to the SHU...had he been in GP up to the point of transfer to the SHU?

Report Title: ICE ERO Atlanta – Facility Demonstration – May 27, 2017

On May 27, 2017, from 1355 to 1640 EDT, Georgia Detention Watch (GDW) conducted a candlelight vigil commemorating the recent passing of Jean Carlos JIMENEZ-Joseph, A204603723—2017SIR0012935, a national of Panama detained by ICE at the Stewart Detention Center (SDC) in Lumpkin, Georgia prior to his death.

Approximately 19 people participated in this protest with no incidents or arrests reported.

BACKGROUND:

This is the tenth year that GDW and other organizations have conducted demonstrations at SDC.

Two additional protests are planned on May 27, 2017, in regard to JIMENEZ's death. The second site is the Governor's Golf Club located in Brentwood, Tennessee scheduled from 1730-1830 with an estimated number of 119 participants, attendance indicated by Facebook. Any measures to address security concerns are unknown.

The third site is the City Center Church located in Lenexa, Kansas from 1800 – 1930 with an estimated number of 68 participants, attendance indicated by Facebook. Any measures to address security concerns are unknown.

GDW consists of organizations and individuals that advocate alongside immigrants, "to end the inhumane and unjust detention and law enforcement policies and practices directed against immigrant communities." This is pretty typical of a standard request. For the "Any other documentation pertaining to JIMENEZ", that is where CoreCivic comes in. They usually want the detention file, and in this case, likely the segregation logs.

Can you bounce the preliminary cause of death off of IHSC/Blankenship? In similar cases they have noted the cause of death as asphyxia or asphyxia suicide (see attached) as the medical term.

BACKGROUND:

On April 9, 2001, U.S. Customs and Border Protection (CBP) admitted JIMENEZ at the William Hartsfield International Airport, Atlanta, GA as a nonimmigrant visitor with permission to remain in the United States until October 8, 2001.

On June 21, 2010, the Overland Park Municipal Court, in Overland Park, KS convicted JIMENEZ for operating a motor vehicle without license and sentenced him to a \$189 fine.

On January 4, 2013, JIMENEZ applied for Consideration of Deferred Action for Childhood Arrival (DACA), Form I-821D, with U.S. Citizenship and Immigration Services (USCIS).

On November 25, 2013, USCIS approved JIMENEZ's DACA application with a designated expiration date of November 24, 2015.

On June 14, 2015, USCIS sent a DACA Expiration Notice Request to JIMENEZ.

On January 12, 2016, JIMENEZ submitted a second DACA application, Form I-821D, to USCIS.

On January 13, 2016, USCIS rejected JIMENEZ second application for DACA, Form I-821D, because it was not signed.

On January 28, 2016, JIMENEZ submitted a third DACA application, Form I-821D, to USCIS.

On February, 3, 2016, USCIS rejected JIMENEZ's third application for DACA, Form I-821D, because it was not signed.

On February 24, 2016, JIMENEZ submitted a fourth DACA application, Form I-821D, to USCIS.

On May 6, 2016, USCIS approved JIMENEZ' fourth DACA application, Form I-821D, with a designated expiration date of May 5, 2018.

On August 24, 2016, the Raleigh Police Department (RPD) in Raleigh, NC arrested JIMENEZ for misdemeanor injury to real property. On the same date, ERO Atlanta 287(g) located in the Wake County Jail, Raleigh, NC encountered JIMENEZ and determined that JIMENEZ did not meet an enforcement priority under the November 20, 2014 memorandum from Secretary Johnson, *Policies for the Apprehension, Detention and Removal of Undocumented Immigrants*, and took no enforcement action.

On October 14, 2016, the RPD arrested JIMENEZ for felony larceny of a motor vehicle and misdemeanor larceny. On the same date, ERO Atlanta 287(g) located in the Wake County Jail, Raleigh, NC encountered JIMENEZ and determined that JIMENEZ did not meet an enforcement priority.

On February 5, 2017, the RPD arrested JIMENEZ pursuant to an outstanding bench warrant for misdemeanor possession of marijuana paraphernalia and municipal ordinance—begging. This warrant appears to have remained active although JIMENEZ received a disposition of the aforementioned charges on November 23, 2016. On this same date, ERO Atlanta 287(g) located in the Wake County Jail, Raleigh, NC determined JIMENEZ to be unlawfully present in the United States, and lodged a Request for Voluntary Transfer, Form I-247(X), with the Wake County Jail.

On February 8, 2017, ERO Atlanta 287(g) located in the Wake County Jail, Raleigh, NC issued JIMENEZ a Notice to Appear charging removability pursuant to section 237(a)(1)(B) of the Immigration and Nationality Act, as an alien present in the United States whose nonimmigrant visa has expired or been revoked.

On March 2, 2017, JIMENEZ entered ERO Atlanta custody at the Wake County Jail in Raleigh, NC.

On March 7, 2017, ERO Atlanta transferred JIMENEZ to the Stewart Detention Center (SDC), Lumpkin, GA.

On April 4, 2017, JIMENEZ contacted the Detention Reporting and Information Line (DRIL) and stated that he has a mental condition.

On April 5, 2017, ERO Atlanta responded to the DRIL and indicated that the ICE Health Service Corps (IHSC) had seen JIMENEZ, and his medical issues (mental and physical) are being treated with medication and therapy.

On April 13, 2017, JIMENEZ was involved in an altercation with another detainee that resulted in a cut on his nose. IHSC determined that no outside medical attention was needed and JIMENEZ was medically cleared for placement in the Special Housing Unit from April 13-20, 2017 for disciplinary reasons.

On April 19, 2017, the Wake County District Court, NC dismissed JIMENEZ's charge for misdemeanor injury to real property.

On April 20, 2017, JIMENEZ was returned to general population.

On April 27, 2017, CoreCivic placed JIMENEZ in the Special Housing Unit because JIMENEZ jumped from the top tier to the bottom tier of his pod in an attempt to harm himself.

On May 2, 2017, the Confinement Review Committee reviewed JIMENEZ's case and recommended that he remain segregated from the general population for administrative reasons. That same date, the Institutional Disciplinary Panel Hearing found JIMENEZ guilty of actions that could endanger a person and/or property sentenced him to 20 days of disciplinary segregation.

That same date, JIMENEZ received a disciplinary report for indecent exposure. This incident involved JIMENEZ calling the nurse to come to his door, and then exposing himself.

On May 5, 2017, the Institutional Disciplinary Panel Hearing found JIMENEZ guilty of indecent exposure and sentenced him to 3 days of disciplinary segregation.

On May 9, 2017 the Confinement Review Committee reviewed JIMENEZ's case and recommended that he remain segregated from the general population for disciplinary reasons, with a scheduled release from segregation on May 19, 2017.

On May 15, 2017, at 0045 EDT, SDC notified ERO Atlanta that a medical emergency was called in the Special Housing Unit for JIMENEZ, who had hung himself in his cell. CoreCivic staff informed medical staff that JIMENEZ had hung himself with a sheet that had been tied around his neck. Medical staff performed a quick assessment and asked CoreCivic staff to call for emergency medical services. Medical staff continued cardiopulmonary resuscitation (CPR) and connected JIMENEZ to the automated external defibrillator, which indicated no shock advised and to continue CPR. At approximately 0100 EDT, emergency medical services (EMS) arrived and, during the course of the CPR, EMS staff administered four dosages of epinephrine and called for a back-up EMS unit; however, as the back-up EMS unit was over 30 minutes away, the EMS team decided to transport JIMENEZ to Phoebe Sumter Medical Center's Emergency Room. Phoebe Sumter Medical Center staff declared JIMENEZ deceased at 0215 EDT, with a preliminary cause of death from a self-inflicted strangulation.

JIMENEZ is the seventh detainee to pass away in ICE custody in fiscal year 2017.

OK (b)(6),(b)(7)(C)

The only remaining items on the death are:

- 1) The SIR. The SIR is going to be more or less verbatim with whatever HQ puts out (to Congress etc.) with the death notification. It used to be exactly verbatim – for the last five or so that I had – and there was a good reason for that, but we received some unusual feedback on the Stewart case. We'll have to see what HQ comes back with. I'll be in touch after the death notification comes out from HQ.
- 2) The condolence letter. Attached is the template from the website and the one prepared for the Stewart case. The format is strange (for example, the name of the detention facility under Sean's name), and because of that your folks will want to change it. We have to stick to the exact format. Looks like we already have most of the information, we just have to ensure that the cause of death is worded the same as in the death notification. The number attached to the FOD on the Stewart sample rings to Albert in the front office. You may have to modify the number with the international code since the letter is going overseas. A copy also goes to the consulate.
- 3) There will be an ODO death review coming at ACDC. I'll send you a sample of the standard document request in advance of the review.

I have to do the walkthrough of the house today and the FOD is letting me off of the hook for the town hall, so I will see you on the Irwin trip Thursday.

Thanks,

Subject: 5-15-17 attempted suicide

On May 15 2017 at approximately 0045 hours a medical emergency was called by officer (b)(6),(b)(7)(C) in segregation. While making rounds off (b)(6),(b)(7)(C) discovered detainee Jimenez-Joseph, Jean, Carlos #204603723 with a sheet tied around his neck secured to the sprinkler head on the wall and what appeared to be hanging himself. At that time Officer (b)(6),(b)(7)(C) retrieved the suicide knife, officer (b)(6),(b)(7)(C) had arrived from 7 Bravo to assist. Officer (b)(6),(b)(7)(C) secured the detainee while officer (b)(6),(b)(7)(C) cut the sheet, once this was done the detainee was placed on the floor and a pulse was taken, and he was unresponsive. From that point on until the onsite medical staff arrived officer (b)(6),(b)(7)(C) and officer (b)(6),(b)(7)(C) performed CPR. Stewart County EMS was called at 0049 hours and arrived at 0057 hours, they departed the facility at 0125 hours taking detainee Jimenez to Phoebe Sumpter Medical Center in Americus, Georgia.

We know from the housing history that he was housed in medical for that time and from the IHSC report that they noted suicidal ideations on the 8th. However I don't have a paper trail that he was actually on suicide watch, only housed in medical under observation. Thus the edit below.

We are starting to get multiple media outlets asking about the refusal to allow visitation for Jimenez on Sunday. It would be very preferable to knock this down before media speculation gets out of hand and fantastical stories come out that we have to defend against. Please tell the Warden that we need a summary of what occurred last Sunday when they attempted to visit NLT 1400.

We already queried SDC on this yesterday. We are waiting for an explanation of why El Refugio was turned away. It may have been a safety and security issue depending on the mental state/demeanor of Jimenez. But we will await further clarification. To my knowledge, SDC is PBNDS compliant and would not restrict El Refugio as a matter of internal policy.

Please see below. Per PBNDS I read that detainees in segregation generally can still receive visitation. Would this have not been allowed because it was a group of people? Or can segregated detainees only receive attorney visits at Stewart?

Hey (b)(6),(b)(7)(C)

I'm writing a follow-up about the death of Jean Jimenez-Joseph. Immigrant rights advocates at El Refugio say his mother expressed concern about his well-being in the days leading to his death and asked the advocates to visit him at Stewart but they were prevented from doing so because of restrictive visitation policies related to his isolation.

"We are gravely concerned that Jean Carlos may not have received the mental health services he required while detained" said (b)(6),(b)(7)(C) Chair of El Refugio's Board of Directors. "His solitary confinement," continued Marquart, "may have exacerbated his isolation and further impacted any mental health issues." This is especially concerning as the effects of solitary have been [repeatedly studied](#) and linked to deterioration of mental health.

Hey (b)(6);(b)(7)(C)

Given all our recent conversations about ICE detention and the Stewart Detention Center I wanted to make sure you received this directly from me this morning. Sadly, ICE had its first fatality at Stewart in more than eight years yesterday. The last death of a person in custody at Stewart prior to yesterday took place in March 2009. While the situation yesterday is unfortunate and will be subject to a full investigation, statistically, deaths in ICE detention are exceptionally rare at approximately 10x lower than the U.S. prison national average.

Again, as you can read in the release, there will be a full investigation. The news release is attached. Thanks.

ERO Atlanta,

I need the following addressed **ASAP** for AD:

The EARM notes and the E/S indicate that IHSC acknowledged Subject has "medical" issues that were being treated. Apart from physical problems of which I find no mention made, isn't it more accurate to state that Subject was being treated for "mental health issues" (see IHSC email attached)?

Subject in SHU – wasn't he placed there for disciplinary seg? I see in EARM he had gotten into a fight with another detainee and that he had to clear medical before going to the SHU...had he been in GP up to the point of transfer to the SHU?

The EARM notes and the E/S indicate that IHSC acknowledged Subject has “medical” issues that were being treated. Apart from physical problems of which I find no mention made, isn’t it more accurate to state that Subject was being treated for “mental health issues” (see IHSC email attached)?

- Most of his medical issues (and medication) were related to mental health as indicated by IHSC, but he also had asthma and was on an albuterol inhaler (also indicated by IHSC)

Subject in SHU – wasn’t he placed there for disciplinary seg? I see in EARM he had gotten into a fight with another detainee and that he had to clear medical before going to the SHU...had he been in GP up to the point of transfer to the SHU?

- That was another incident, but yes, he was in disciplinary segregation at the time of this occurrence. This period of segregation began on 4/27/17 and he was due for release on 5/19/17 – Notes from SRMS:

(b)(6),(b)(7)(C)

(5/11/2017 9:05 AM): On April 27, 2017 Detainee Jimenez-Joseph Jean #204603723 was housed in the SMU for any act that could endanger a person and or property (code 223). This incident involved detainee jumping from the top tier to the bottom tier in Unit 4B. On May 2, 2017 the Confinement Review Committee reviewed Jimenez-Joseph case recommending that he remain segregated from the general population for Administrative reasons. On May 2, 2017 the Institutional Disciplinary Panel Hearing was conducted and the detainee was found guilty of Code 223 and was sentenced to 20 days of disciplinary segregation. On May 2, 2017 Detainee Jimenez-Joseph Jean #204603723 received a disciplinary report for Indecent exposure (code 300). This incident involved detainee calling the nurse to come to his door and exposing himself. On May 5, 2017 the Institutional Disciplinary Panel Hearing was conducted and the detainee was found guilty of Code 300 and was sentenced to 3 days of disciplinary segregation. ERO Atlanta,

I need the following addressed **ASAP** for AD:

The EARM notes and the E/S indicate that IHSC acknowledged Subject has "medical" issues that were being treated. Apart from physical problems of which I find no mention made, isn't it more accurate to state that Subject was being treated for "mental health issues" (see IHSC email attached)?

Subject in SHU – wasn't he placed there for disciplinary seg? I see in EARM he had gotten into a fight with another detainee and that he had to clear medical before going to the SHU...had he been in GP up to the point of transfer to the SHU?

Report Title: ICE ERO Atlanta – Facility Demonstration – May 27, 2017

On May 27, 2017, from 1355 to 1640 EDT, Georgia Detention Watch (GDW) conducted a candlelight vigil commemorating the recent passing of Jean Carlos JIMENEZ-Joseph, A204603723—2017SIR0012935, a national of Panama detained by ICE at the Stewart Detention Center (SDC) in Lumpkin, Georgia prior to his death.

Approximately 19 people participated in this protest with no incidents or arrests reported.

BACKGROUND:

This is the tenth year that GDW and other organizations have conducted demonstrations at SDC.

Two additional protests are planned on May 27, 2017, in regard to JIMENEZ's death. The second site is the Governor's Golf Club located in Brentwood, Tennessee scheduled from 1730-1830 with an estimated number of 119 participants, attendance indicated by Facebook. Any measures to address security concerns are unknown.

The third site is the City Center Church located in Lenexa, Kansas from 1800 – 1930 with an estimated number of 68 participants, attendance indicated by Facebook. Any measures to address security concerns are unknown.

GDW consists of organizations and individuals that advocate alongside immigrants, “to end the inhumane and unjust detention and law enforcement policies and practices directed against immigrant communities.” The coalition includes activists, community organizers, persons of faith, lawyers, and others. Although the main organizer of the SDC demonstration is GDW, several other non-government organizations participate, to include, Alterna, the American Civil Liberties Union of Georgia, the Coalicion de Lideras Latino, the Georgia Latino Alliance for Human Rights, the Open Door Community, and El Refugio.

- 1) ODO has not initiated or completed their death review. The ODO document request is not due until 5/30.
- 2) CoreCivic and the agency are now under preservation notices. CoreCivic has retained outside counsel to manage the information requests and document retention. OPLA (HQ-OPLA) is actively working through the presence of outside counsel and how this interfaces with ICE's internal investigations and oversight functions. I believe that GILD has the lead on this.
- 3) The Georgia Bureau of Investigations has also initiated an investigation.

We have requested the documents, but given the complexity involving the preservation notice and CoreCivic's stance on their outside counsel, it may not be today.

In addition, please copy the FOD and I on future requests to our field office.

Thanks,

- 1) ODO has not initiated or completed their death review. The ODO document request is not due until 5/30.
- 2) CoreCivic and the agency are now under preservation notices. CoreCivic has retained outside counsel to manage the information requests and document retention. OPLA (HQ-OPLA) is actively working through the presence of outside counsel and how this interfaces with ICE's internal investigations and oversight functions. I believe that GILD has the lead on this.

3) The Georgia Bureau of Investigations has also initiated an investigation.

We have requested the documents, but given the complexity involving the preservation notice and CoreCivic's stance on their outside counsel, it may not be today.

In addition, please copy the FOD and I on future requests to our field office.

Report Title: ICE ERO Atlanta – Planned Facility Demonstration – May 27, 2017

On May 27, 2017, the Georgia Detention Watch (GDW) plan to conduct a candle light vigil commemorating the recent passing of Jean Carlos JIMENEZ-Joseph, A204603723—2017SIR0012935, a national of Panama detained by ICE at the Stewart Detention Center (SDC) in Lumpkin, Georgia when deceased. Demonstrations are planned for three separate locations.

The first location is outside of the front gates to the SDC facility from 1600 – 1700 with an estimated number of 28 participants, attendance indicated by Facebook. CoreCivic (CC) which operates SDC intends to provide security personnel and cooperate with local law enforcement agencies to ensure the safety of ICE detainees, employees, and the facility.

The second site is the Governor's Golf Club located in Brentwood, Tennessee from 1730-1830 with an estimated number of 119 participants, attendance indicated by Facebook. Any measures to address security concerns are unknown.

The third site is the City Center Church located in Lenexa, Kansas from 1800 – 1930 with an estimated number of 68 participants, attendance indicated by Facebook. Any measures to address security concerns are unknown.

BACKGROUND:

This is the tenth year that GDW and other organizations have conducted demonstrations at SDC. Although most of the participants have been non-violent, in 2014 the Stewart County Sheriff's Office arrested a small number of demonstrators for trespassing onto SDC property. Those who were arrested were taken to the Lumpkin, GA City Jail and released later the same day.

GDW consists of organizations and individuals that advocate alongside immigrants, "to end the inhumane and unjust detention and law enforcement policies and practices directed against immigrant communities." The coalition includes activists, community organizers, persons of faith, lawyers, and others. Although the main organizer of the SDC demonstration is GDW,

several other non-government organizations participate, to include, Alterna, the American Civil Liberties Union of Georgia, the Coalicion de Lideras Latino, the Georgia Latino Alliance for Human Rights, the Open Door Community, and El Refugio.

This SIR narrative was reviewed and approved for submission by Deputy Field Office Director George A. Sterling.

I'd bounce it off of the OIG agent that you were dealing with. The answer is probably yes, but IHSC is part of ERO and is federal. What I want to avoid is having conflicting investigations (and investigating entities).

You can forward this message in full when you inquire. He'll understand where I'm coming from.

We might want to (telephonically) touch base with this lady and let her know that as part of our protocol we have to give the sister the option of contacting us directly or contacting the consulate. However, she is free to refer her back to us if she wishes. We're including the number below in the letter.

Stewart is finishing up the draft of the ES now and will forward up shortly. However, it's a draft –

- 1) Even though I know that you will vet the detainee death notification through HQ OPLA, we have not yet vetted it through local OCC.
- 2) The Panamanian consulate in Tampa doesn't open until (:30 (now) so the next of kin notification will still be incomplete.

Thanks,

On June 21, 2010, the Overland Park Municipal Court, in Overland Park, KS convicted JIMENEZ for operating a motor vehicle without license and sentenced him to a \$189 fine.

On February 3, 2016, USCIS rejected JIMENEZ's third application for DACA, Form I-821D, because it was not signed.

On February 24, 2016, JIMENEZ submitted a fourth DACA application, Form I-821D, to USCIS.

On May 6, 2016, USCIS approved JIMENEZ' fourth DACA application, Form I-821D, with a designated expiration date of May 5, 2018.

On August 24, 2016, the Raleigh Police Department (RPD) in Raleigh, NC arrested JIMENEZ for misdemeanor injury to real property. On the same date, ERO Atlanta 287(g) located in the Wake County Jail, Raleigh, NC encountered JIMENEZ and determined that JIMENEZ did not meet an enforcement priority under the November 20, 2014 memorandum from Secretary Johnson, Policies for the Apprehension, Detention and Removal of Undocumented Immigrants, and took no enforcement action.

On October 14, 2016, the RPD arrested JIMENEZ for felony larceny of a motor vehicle and misdemeanor larceny.

On March 7, 2017, ERO Atlanta transferred JIMENEZ to the Stewart Detention Center (SDC), Lumpkin, GA.

On April 4, 2017, JIMENEZ contacted the Detention Reporting and Information Line (DRIL) and stated that he has a mental condition.

On April 5, 2017, ERO Atlanta responded to the DRIL and indicated that the ICE Health Service Corps (IHSC) had seen JIMENEZ, and his medical issues (mental and physical) are being treated with medication and therapy.

On April 13, 2017, JIMENEZ was involved in an altercation with another detainee that resulted in a cut on his nose. IHSC determined that no outside medical attention was needed and JIMENEZ was medically cleared for placement in the Special Housing Unit from April 13-20, 2017 for disciplinary reasons.

On April 19, 2017, the Wake County District Court, NC dismissed JIMENEZ's charge for misdemeanor injury to real property.

On April 20, 2017, JIMENEZ was returned to general population.

On April 27, 2017, CoreCivic placed JIMENEZ in the Special Housing Unit because JIMENEZ jumped from the top tier to the bottom tier of his pod in an attempt to harm himself.

On May 2, 2017, the Confinement Review Committee reviewed JIMENEZ's case and recommended that he remain segregated from the general population for administrative reasons. That same date, the Institutional Disciplinary Panel Hearing found JIMENEZ guilty of actions that could endanger a person and/or property sentenced him to 20 days of disciplinary segregation.

That same date, JIMENEZ received a disciplinary report for indecent exposure. This incident involved JIMENEZ calling the nurse to come to his door, and then exposing himself.

On May 5, 2017, the Institutional Disciplinary Panel Hearing found JIMENEZ guilty of indecent exposure and sentenced him to 3 days of disciplinary segregation.

On May 9, 2017 the Confinement Review Committee reviewed JIMENEZ's case and recommended that he remain segregated from the general population for disciplinary reasons, with a scheduled release from segregation on May 19, 2017.

On May 15, 2017, at 0045 EDT, SDC notified ERO Atlanta that a medical emergency was called in the Special Housing Unit for JIMENEZ, who had hung himself in his cell. CoreCivic staff informed medical staff that JIMENEZ had hung himself with a sheet that had been tied around his neck. Medical staff performed a quick assessment and asked CoreCivic staff to call for emergency medical services. Medical staff continued cardiopulmonary resuscitation (CPR) and connected JIMENEZ to the automated external defibrillator, which indicated no shock advised and to continue CPR. At approximately 0100 EDT, emergency medical services (EMS) arrived and, during the course of the CPR, EMS staff administered four dosages of epinephrine and called for a back-up EMS unit; however, as the back-up EMS unit was over 30 minutes away, the EMS team decided to transport JIMENEZ to Phoebe Sumter Medical Center's Emergency Room. Phoebe Sumter Medical Center staff declared JIMENEZ deceased at 0215 EDT, with a preliminary cause of death from a self-inflicted strangulation.

JIMENEZ is the seventh detainee to pass away in ICE custody in fiscal year 2017.

We are starting to get multiple media outlets asking about the refusal to allow visitation for Jimenez on Sunday. It would be very preferable to knock this down before media speculation gets out of hand and fantastical stories come out that we have to defend against. Please tell the Warden that we need a summary of what occurred last Sunday when they attempted to visit NLT 1400.

We already queried SDC on this yesterday. We are waiting for an explanation of why El Refugio was turned away. It may have been a safety and security issue depending on the mental state/demeanor of Jimenez. But we will await further clarification. To my knowledge, SDC is PBNDS compliant and would not restrict El Refugio as a matter of internal policy.

Hey (b)(6),(b)(7)(C)

I'm writing a follow-up about the death of Jean Jimenez-Joseph. Immigrant rights advocates at El Refugio say his mother expressed concern about his well-being in the days leading to his death and asked the advocates to visit him at Stewart but they were prevented from doing so because of restrictive visitation policies related to his isolation.

"We are gravely concerned that Jean Carlos may not have received the mental health services he required while detained" said (b)(6),(b)(7)(C) Chair of El Refugio's Board of Directors. "His solitary confinement," continued Marquart, "may have exacerbated his isolation and further impacted any mental health issues." This is especially concerning as the effects of solitary have been [repeatedly studied](#) and linked to deterioration of mental health.

Subject: News release: ICE detainee passes away at Georgia hospital

Hey (b)(6),(b)(7)(C)

Given all our recent conversations about ICE detention and the Stewart Detention Center I wanted to make sure you received this directly from me this morning. Sadly, ICE had its first fatality at Stewart in more than eight years yesterday. The last death of a person in custody at Stewart prior to yesterday took place in March 2009. While the situation yesterday is unfortunate and will be subject to a full investigation, statistically, deaths in ICE detention are exceptionally rare at approximately 10x lower than the U.S. prison national average.

Again, as you can read in the release, there will be a full investigation. The news release is attached. Thanks.

Attached is a detainee death checklist. The FOD is making notification to FieldOps and Chief Counsel. The first thing that you need to do is notify the JIC and then roll out to Stewart as OIG or OPR will probably roll out on this. Thereafter the checklist is self-explanatory, the next of kin info being the biggest challenge. We will need to notify the Panamanians when they open and the policy reads that the NOK should be notified by their consulate, if they will do it.

BACKGROUND:

On April 9, 2001, U.S. Customs and Border Protection (CBP) admitted JIMENEZ at the William Hartsfield International Airport, Atlanta, GA as a nonimmigrant visitor with permission to remain in the United States until October 8, 2001.

On June 21, 2010, the Overland Park Municipal Court, in Overland Park, KS convicted JIMENEZ for operating a motor vehicle without license and sentenced him to a \$189 fine.

On January 4, 2013, JIMENEZ applied for Consideration of Deferred Action for Childhood Arrival (DACA), Form I-821D, with U.S. Citizenship and Immigration Services (USCIS).

On June 14, 2015, USCIS sent a DACA Expiration Notice Request to JIMENEZ.

On January 12, 2016, JIMENEZ submitted a second DACA application, Form I-821D, to USCIS.

On August 24, 2016, the Raleigh Police Department (RPD) in Raleigh, NC arrested JIMENEZ for misdemeanor injury to real property. On the same date, ERO Atlanta 287(g) located in the Wake County Jail, Raleigh, NC encountered JIMENEZ and determined that JIMENEZ did not meet an enforcement priority under the November 20, 2014 memorandum from Secretary Johnson, *Policies for the Apprehension, Detention and Removal of Undocumented Immigrants*, and took no enforcement action.

On October 14, 2016, the RPD arrested JIMENEZ for felony larceny of a motor vehicle and misdemeanor larceny. On the same date, ERO Atlanta 287(g) located in the Wake County Jail, Raleigh, NC encountered JIMENEZ and determined that JIMENEZ did not meet an enforcement priority.

On February 5, 2017, the RPD arrested JIMENEZ pursuant to an outstanding bench warrant for misdemeanor possession of marijuana paraphernalia and municipal ordinance—begging. This warrant appears to have remained active although JIMENEZ received a disposition of the aforementioned charges on November 23, 2016. On this same date, ERO Atlanta 287(g) located in the Wake County Jail, Raleigh, NC determined JIMENEZ to be unlawfully present in the United States, and lodged a Request for Voluntary Transfer, Form I-247(X), with the Wake County Jail.

On April 19, 2017, the Wake County District Court, NC dismissed JIMENEZ's charge for misdemeanor injury to real property.

On April 20, 2017, JIMENEZ was returned to general population.

That same date, the Institutional Disciplinary Panel Hearing found JIMENEZ guilty of actions that could endanger a person and/or property sentenced him to 20 days of disciplinary segregation.

CoreCivic staff informed medical staff that JIMENEZ had hung himself with a sheet that had been tied around his neck. Medical staff performed a quick assessment and asked CoreCivic staff to call for emergency medical services. Medical staff continued cardiopulmonary resuscitation (CPR) and connected JIMENEZ to the automated external defibrillator, which indicated no shock advised and to continue CPR. At approximately 0100 EDT, emergency medical services (EMS) arrived and, during the course of the CPR, EMS staff administered four dosages of epinephrine and called for a back-up EMS unit; however, as the back-up EMS unit was over 30 minutes away, the EMS team decided to transport JIMENEZ to Phoebe Sumter Medical Center's Emergency Room. Phoebe Sumter Medical Center staff declared JIMENEZ deceased at 0215 EDT, with a preliminary cause of death from a self-inflicted strangulation.

JIMENEZ is the seventh detainee to pass away in ICE custody in fiscal year 2017.

Subject: Disposition of Remains in Detainee Death

(b)(6),(b)(7)(C)

Please see the relevant information below regarding the disposition of remains. It is taken from *PBND 2011 (4.7 | Terminal Illness, Advance Directives and Death)*

A couple of thoughts. If the family cannot/will not pay, the cost to ERO for transporting the body will likely exceed the purchase card limit. This means contracting will have to be involved, which will likely be very time consuming.

G. Disposition of Remains

Within seven calendar days of the date of notification, either in writing or in person, the family shall have the opportunity to claim the remains. If the family chooses to claim the body, the family shall assume responsibility for making the necessary arrangements and paying all associated costs (e.g., transportation of body, burial).

If the family wishes to claim the remains, but cannot afford the transportation costs, ICE/ERO may assist the family by transporting the remains to a location in the United States. As a rule, the family alone is responsible for researching and complying with airline rules and federal regulations on transporting the body; however, ICE/ERO may coordinate the logistical details involved in returning the remains.

If family members cannot be located or decline orally or in writing to claim the remains, ICE/ERO shall notify the consulate, in writing, after which the consulate shall have seven calendar days to claim the remains and be responsible for making the necessary arrangements and paying all costs incurred (e.g., moving the body, burial).

If neither the family nor the consulate claims the remains, ICE/ERO shall schedule an indigent's burial, consistent with local procedures. However, if the detainee's record indicates U.S. military service, before proceeding with the indigent burial arrangements, ICE/ERO shall contact the Department of Veterans Affairs to determine whether the decedent is eligible for burial benefits.

The Chaplain may advise the facility administrator and others involved about religious considerations that could influence the decision about the disposition of remains.

Under no circumstances shall ICE/ERO authorize cremation or donation of the remains for medical research.

I'd bounce it off of the OIG agent that you were dealing with. The answer is probably yes, but IHSC is part of ERO and is federal. What I want to avoid is having conflicting investigations (and investigating entities).

You can forward this message in full when you inquire. He'll understand where I'm coming from.

This is a sample of a death notification if we need it. It needs to look more or less exactly like this. Have someone begin working on this. Thanks.

All of the local edits are complete except the time of death.

- Corrected spelling of middle name (EARM/EABM processing typo, confirmed through BC in file). Apologies that we didn't catch it before.
- Added preliminary cause of death. (b)(6);(b)(7)(C) the Health Services Administrator at the CDF, described the cause of death as a "massive heart attack and stroke".
- Minor edit to conviction information, changed county to Jefferson (Beaumont is a city in Jefferson County) and changed probation to community supervision for a term of three years (all as reflected on the J&C). These convictions were actually deferred adjudications, but are convictions for immigration purposes.
- Corrected FugOps apprehension date to January 30, 2014 (originally January 13).
- Added events leading up to life support removal.

All of the local edits are complete except the time of death.

- Corrected spelling of middle name (EARM/EABM processing typo, confirmed through BC in file). Apologies that we didn't catch it before.
- Added preliminary cause of death. (b)(6),(b)(7)(C) the Health Services Administrator at the CDF, described the cause of death as a "massive heart attack and stroke".
- Minor edit to conviction information, changed county to Jefferson (Beaumont is a city in Jefferson County) and changed probation to community supervision for a term of three years (all as reflected on the J&C). These convictions were actually deferred adjudications, but are convictions for immigration purposes.
- Corrected FugOps apprehension date to January 30, 2014 (originally January 13).
- Added events leading up to life support removal.

Hey (b)(6),(b)(7)(C)

AFOD (b)(6),(b)(7)(C) down at SDC (copied on this email) has advised that GBI responded to the scene and has completed processing the involved cell.

The cell is still being secured by CCA staff and they have requested guidance on if the cell can be re-opened. Before advising if they can re-open the cell, AFOD (b)(6),(b)(7)(C) has inquired if there is any reason to keep the location secured, i.e. a response from OIG?

If possible, can you or one of your agents let him know if you guys anticipate a response or any other reason to continue to secure the scene??

SUBJECT: ICE request for detainee timeline for Jean Carlos Jimenez Joseph, alien number 204603723, at Stewart Detention Center

PURPOSE

The purpose of this memorandum is to respond to the May 17, 2017 request from ICE for a timeline outlining the detainee's medical care while housed at the Stewart Detention Center.

BACKGROUND

Mr. Jean Carlos Jimenez Joseph arrived at Stewart Detention Center on 7 March 2017, and was evaluated by a nurse. He was immediately placed on one on one observation and started back on Risperidone, a mental health medication. On 8 March 2017, the detainee was evaluated by a physician and a Licensed Clinical Social Worker (LCSW) and subsequently the one to one observation was stepped down until he was released to the general population on 9 March 2017. On 20 March 2017, the detainee was evaluated by a psychiatrist via tele-psychiatry; however, due to limited availability of the psychiatrist for tele-psychiatry the follow-up appointment had to be rescheduled in order to accommodate a detainee with a more acute mental health issue. The follow-up appointment was rescheduled for the morning of 15 May 2017; however, the detainee committed suicide on 15 May 2017, a few hours prior to the rescheduled appointment.

Stewart Detention Center's staffing plan currently calls for three mental health providers and one psychiatrist; however, at the time of this incident only two LCSW were on staff and of those two, one was on maternity leave. The facility has available tele-psych services to assist in the interim until the vacant positions can be filled. As of the time of this writing, Stewart Detention Center has two additional LCSWs starting on 22 May 2017, and is in the process of revising a position description to allow for a psychiatric nurse practitioner to fill the role of the vacant psychiatrist position on the current staffing plan.

DISCUSSION

On 7 March 2017, Mr. Jimenez Joseph arrived at Stewart Detention Center and was screened in by a nurse who noted the detainee had a history of suicide attempts and had made a statement during the exam that he wanted to hurt himself. The note also indicates he had a history of psychosis, at least one prior suicide attempt, and was on Risperidone 0.5mg at bedtime; however, he had not taken any medication on the date of arrival and did not arrive with any medication. The nurse called the on-call behavioral health provider who approved the detainee to be placed on one to one observation and given a suicide smock and blanket due to his voicing concerns of hurting himself. The detainee was also continued on Risperidone 0.5mg at bedtime by a nurse practitioner. The nurse also notified the medical doctor of the detainee's condition.

On 8 March 2017, the detainee was evaluated by a physician and provided a physical exam. The physician diagnosed him with suicidal ideations and asthma. The detainee was also evaluated by a Licensed Clinical Social Worker (LCSW) who noted the detainee had a history of suicide attempts, schizoaffective disorder, bipolar type, and history of Cannabis abuse, uncomplicated. The LCSW's note indicates the detainee denied having any suicidal thoughts or wanting to harm himself on 8 March 2017. The one on one observation was discontinued and the detainee was placed on mental health observation.

On 9 March 2017, the detainee was evaluated by a physician and a LCSW who noted the detainee was feeling really good and the absence of suicidal ideations and hallucinations (last voices heard "a few weeks ago"). The detainee stated that he had been sleeping and eating fine and was "ready to get out of here to the population and recreation today." The mental health observation was discontinued and the detainee was released to general population. The note indicated the detainee would be followed-up with behavioral health.

On 14 March 2017, the detainee was followed up by the LCSW who noted the detainee was stable with unremarkable mental status exam. The detainee denied having any current thoughts of wanting to harm self or others or hallucinations.

On 20 March 2017, the detainee was evaluated by a psychiatrist. The psychiatrist indicated he would be followed up in three to four weeks.

On 23 March 2017, the detainee requested a sick call appointment; however, he did not report to the sick call area when called.

On 6 April 2017, the detainee requested sick call for blisters on his feet from playing basketball without shoes. The detainee also requested copies of his medical records from other facilities. The detainee was examined and advised to check feet daily for signs of infection, wear shoes while playing basketball and to refrain from playing basketball until wounds were healed.

Do not release without prior approval of U.S. Immigration and Customs Enforcement, ICE Health Service Corps.

On 11 April 2017, the detainee was evaluated for a follow-up mental health check-up. The note indicates he was still experiencing intermittent auditory and visual hallucinations. The practitioner indicated he was stable with an unremarkable mental status examination as the detainee had denied having any current thoughts of wanting to harm self or others or hallucinations. The note indicates he was scheduled to have tele-psychiatry visit on 24 April 2017.

On 13 April 2017, the detainee was evaluated by medical for a segregation clearance. The note indicates the detainee had been in an altercation with another detainee. The detainee was calm and cooperative. The detainee denied suicidal and homicidal ideations and auditory and visual hallucinations. The detainee was cleared for segregation.

On 14 April 2017, the detainee was evaluated by a LCSW during weekly segregation rounds. The note indicates the detainee was not suicidal and had no current active symptoms.

On 19 April 2017, the detainee was evaluated by a nurse practitioner (NP) for the complaint of abdominal pain. The NP examined the detainee and diagnosed him with nausea, periumbilical pain, allergic rhinitis and schizoaffective disorder (bipolar type). The NP prescribed Diphenhydramine HCL, Docusate Sodium, Flunisolide Nasal Solution and one dose of Promethazine HCL.

On 24 April 2017, the detainee was scheduled to be evaluated by a psychiatrist via video teleconference; however, the appointment was rescheduled to 13 June 2017, to accommodate a detainee with a more acute mental health issue.

On 25 April 2017, the detainee was followed up by a NP for a monthly psychiatric medication check. The note indicates the detainee was seen sitting in the waiting area when he jumped up out of his seat repeatedly stating he was "Caesar of the Romans." The note also indicates the detainee reported "hearing voices during the night which was voices of the Romans telling him to commit suicide." Patient also indicated that the "voices did not tell him what to do or how to kill himself." The detainee stated he did "not have a desire to harm himself or anyone else." The patient indicated he thought he needed stronger medications. The note indicates he has a future appointment with follow-up appointment with the psychiatrist.

On 25 April 2017, the detainee was also followed up by a LCSW for the auditory hallucinations described above. The noted indicated the detainee stated that the voices were familiar female and male voices that "usually tell me I am brilliant but, this time, they were telling me that I was basic like everybody else here and that I should just kill myself." The note also indicated the detainee "vehemently denied active suicidal or homicidal ideation." The detainee stated "I don't want to hurt myself or anybody but I did have those thoughts during that dream." The note further states the detainee reported the last suicidal ideations were "a while ago, like when I first got here." The note indicates the detainee was stable and not in need of MHU or acute care admission. The LCSW was able to reschedule the detainee's 13 June 2017 tele-psychiatry to an earlier appointment on 15 May 2017.

On 27 April 2017, the detainee was cleared by a nurse to be housed in segregation.

On 1 May 2017, the detainee was evaluated by a LCSW for weekly segregation mental health rounds. The note indicates the detainee was not suicidal and had no current active symptoms.

On 2 May 2017, the detainee was evaluated by a LCSW due to the detainee verbalizing a desire to cut himself to the detention staff in restricted housing area. The note indicates the detainee was "laughing, talking and smiling inappropriately throughout this session endorsing having made the statement ('but I was referring to last week when I was brought to seg. I got wrote up for jumping off the second tier and, when she asked why I said I wanted to hurt myself.')" The note also indicates the detainee was "being tormented by voices and sounds day in and day out. They know my thoughts, my sound and my every move. They know everything about me and they keep pushing me to do things but I'm not suicidal or homicidal." The note also indicated that the detainee stated "I was playing too much and really was hearing voices but I know I could have thought about what I was doing instead of just doing that stuff." The note indicates the tele-psychiatry list would be reviewed to determine if he could be seen sooner than 15 May 2017.

On 10 May 2017, during routine nursing rounds in segregation the nurse noted the "detainee was observed standing on the toilet, beating on the wall. When approached and asked what was going on, detainee expressed hearing voices, stating 'They keep trying to control my every move, my drawing, my thinking, all of my actions.' When asked if they were wanting him to harm himself or others, he initially stated "no." He stated, 'I am just fucking tired of hearing these voices, they keep trying to control my every fucking move and it is annoying as fuck.' Detainee also mentioned, 'I told (b)(6),(b)(7)(C) that my medication needs to be increased, she has yet to get around to doing it.' In the midst of having this conversation, detainee began punching the wall again, yelling 'just leave me the fuck alone.' When asked again if the voices wanted him to harm himself or anyone, detainee stated, 'yeah, they want me to commit suicide because the people here are simple, but I don't want to harm myself or anyone else.'" The detainee was informed that a message would be sent to inquire more about having his medication dosage increased and to notify the nurse if suicidal thoughts gets worse or he began wanting to harm himself."

On 10 May 2017, following the above interaction with the nurse, the LCSW evaluated the detainee during her weekly segregation rounds. The note indicated the detainee was "lying in bed when this writer approached his cell." The note also indicates the detainee was not suicidal and had no current active symptoms.

On 15 May 2017, the detainee was found in his cell unresponsive after he had hung himself with a sheet. CPR was started immediately and EMS was activated. EMS arrived and subsequently transported him to a local hospital where the detainee was subsequently pronounced deceased at 0215.

The detainee was evaluated everyday by nurses while he was in segregation and all of the notes, except for 10 May 2017 (outlined above), indicated the detainee denied any suicidal thoughts, including nursing rounds on 14 May 2017.

FINDINGS/FINAL IMPRESSION

Mr. Jean Carlos Jimenez Joseph arrived at Stewart Detention Center on 7 March 2017, and was evaluated by a nurse. He was immediately placed on one on one observation and started back on Risperidone. On 8 March 2017, the detainee was evaluated by a physician and a Licensed Clinical Social Worker (LCSW) and medical observation status stepped down until he was released to the general population on 9 March 2017. Since his arrival the detainee had been evaluated by a psychiatrist; however, due to limited availability of the psychiatrist for tele-psychiatry the follow-up appointment had to be rescheduled in order to make room for a detainee with a more acute mental health need. Additionally, there were missed opportunities to possibly provide additional intervention on 2 and 10 May 2017; however, even if interventions were taken on these dates they may or may not have altered the outcome.

Stewart Detention Center's staffing plan currently calls for three mental health providers and one psychiatrist; however, at the time of this incident only two LCSWs were on staff and of those two, one was on maternity leave. The facility has available tele-psych services to assist in the interim until the vacant positions can be filled. Subject: JIMENEZ-Joseph Detainee Death Review

Good morning,

As you may be aware, the ICE Office of Professional Responsibility (OPR) External Reviews and Analysis Unit (ERAU) is responsible for conducting an administrative review for every detainee who dies in ICE custody. The purpose of the review is to conduct an objective examination of the facts and circumstances surrounding the detainee's time in ICE custody, from intake through his or her death, and to determine whether the facility fully complied with the applicable ICE detention standards in all aspects of his or her custody. Our review consists of collecting and examining detainee and facility records, conducting onsite interviews with selected security, medical, and ERO staff, and preparing a comprehensive narrative report of findings.

In light of the recent death of detainee Jean Carlos JIMENEZ-Joseph who was held at the Stewart Detention Center, in Lumpkin, Georgia, we will be initiating a review. (b)(6),(b)(7)(C) will be the Team Lead and POC for the review, and she'll be following up with a more formal request for information which describes the records and policies we've preliminarily identified as relevant to the case. We've also tentatively identified the dates of June 20-22, 2017, to conduct onsite interviews. Can you please confirm that those dates work? In addition to myself and (b)(6),(b)(7)(C) we'll likely have one additional ERAU employee, as well as three contract subject matter experts participate in the onsite interviews.

If you have any questions regarding the detainee death review process or the related logistics, please let me know. I greatly appreciate your cooperation in coordinating the review and look forward to hearing back from you.

Thanks

If you can please prepare the attachment using what we just sent up, I will get the FOD to sign and mail. It has to look exactly like the attachment, except for the obvious items like changing the header to ***"Office of Enforcement and Removal Operations" with the Atlanta, not the DC, address.***

Use (404) 893-(b)(6),(b)(7)(C) as the number for the FOD.

Thanks.

(b)(6);(

Please follow up on something for me. A reporter from Mundo Hispanico (not (b)(6);(b)(7)(C)) is asking questions regarding the detainee visitation policy for aliens in seg. Apparently (b)(6);(b)(7)(C) from El Refugio is claiming that he tried to visit Jimenez on Sunday and CoreCivic turned him away. The reporter's angle seems to be to draw a line between the refusal of visitation on Sunday and the suicide late that night. Can we see if CoreCivic has a record of (b)(6);(b)(7)(C) asking to visit and the reason for the refusal? It will be good to have the information ready for Bryan if the reporter pursues this.

5. Visits for Administrative and Disciplinary Segregation Detainees

While in administrative or disciplinary segregation status, a detainee ordinarily retains visiting privileges.

Segregated detainees may ordinarily use the visiting room during normal visiting hours. However, the facility may restrict or disallow visits for a detainee who violates visiting rules or whose behavior indicates that he/she may be a threat to the security or good order of the visiting room.

Under no circumstances may detainees be permitted to participate in visitation while in restraints. If the detainee's behavior warrants restraints, the visit may not be granted under general population visiting conditions. Any restriction or denial of visits shall be documented in writing.

Detainees in protective custody, and violent and/or disruptive detainees, shall not use the visitation room during normal visitation hours. In cases in which a visit may present an unreasonable security risk, visits may be disallowed for a particular detainee.

I'll go out of my way to explain as diplomatically as possible without any criticism -- I'll simply explain denying the visit was a CoreCivic decision, which is allowed per PBNDS. Reporters are openly stating that ERO denied the visit and that is not accurate. My sole intent here is to protect ERO, and I'll be as sensitive as possible to not criticize CoreCivic in doing so.

For your awareness, (b)(6),(b)(7)(C) and I are on the same page on this. We are trying to allow CoreCivic the opportunity to explain why they refused visitation to Jimenez on Sunday. Under PBNDS, this is allowed in the event that the safety and security of the facility might be affected by visitation. However, the optimal is that ICE detainees in seg do not have restrictions on visitation. CoreCivic has not responded and (b)(6),(b)(7)(C) is under full court press by a couple of media outlets.

(b)(6),(b)(7)(C) has just informed me that CoreCivic corporate has put a gag order on any local responses to this case (see attached), so a reply from the Warden does not appear to be forthcoming in the immediate future. I believe that we should just have (b)(6),(b)(7)(C) say that the "Stewart Detention Center is an

IGA operated by the CoreCivic Corporation under the directives set forward in the Performance Based National Detention Standards 2011. ICE cannot comment on operational decisions made by Core Civic employees and defers questions to CoreCivic for response."

Let me know how you want to proceed. I believe Bryan has an approaching deadline with NPR on this.

We are starting to get multiple media outlets asking about the refusal to allow visitation for Jimenez on Sunday. It would be very preferable to knock this down before media speculation gets out of hand and fantastical stories come out that we have to defend against. Please tell the Warden that we need a summary of what occurred last Sunday when they attempted to visit NLT 1400.

We already queried SDC on this yesterday. We are waiting for an explanation of why El Refugio was turned away. It may have been a safety and security issue depending on the mental state/demeanor of Jimenez. But we will await further clarification. To my knowledge, SDC is PBNDs compliant and would not restrict El Refugio as a matter of internal policy.

Please see below. Per PBNDS I read that detainees in segregation generally can still receive visitation. Would this have not been allowed because it was a group of people? Or can segregated detainees only receive attorney visits at Stewart?

Hey (b)(6),(b)(7)(C)

I'm writing a follow-up about the death of Jean Jimenez-Joseph. Immigrant rights advocates at El Refugio say his mother expressed concern about his well-being in the days leading to his death and asked the advocates to visit him at Stewart but they were prevented from doing so because of restrictive visitation policies related to his isolation.

"We are gravely concerned that Jean Carlos may not have received the mental health services he required while detained" said (b)(6),(b)(7)(C) chair of El Refugio's Board of Directors. "His solitary confinement," continued (b)(6),(b)(7)(C) "may have exacerbated his isolation and further impacted any mental health issues." This is especially concerning as the effects of solitary have been repeatedly studied and linked to deterioration of mental health.

Hey Jeremy,

Given all our recent conversations about ICE detention and the Stewart Detention Center I wanted to make sure you received this directly from me this morning. Sadly, ICE had its first fatality at Stewart in more than eight years yesterday. The last death of a person in custody at Stewart prior to yesterday took place in March 2009. While the situation yesterday is unfortunate and will be subject to a full investigation, statistically, deaths in ICE detention are exceptionally rare at approximately 10x lower than the U.S. prison national average.

Again, as you can read in the release, there will be a full investigation. The news release is attached. Thanks.

I'll go out of my way to explain as diplomatically as possible without any criticism -- I'll simply explain denying the visit was a CoreCivic decision, which is allowed per PBNDS. Reporters are openly stating that ERO denied the visit and that is not accurate. My sole intent here is to protect ERO, and I'll be as sensitive as possible to not criticize CoreCivic in doing so.

For your awareness, (b)(6),(b)(7)(C) and I are on the same page on this. We are trying to allow CoreCivic the opportunity to explain why they refused visitation to Jimenez on Sunday. Under PBNDS, this is allowed in the event that the safety and security of the facility might be affected by visitation. However, the optimal is that ICE detainees in seg do not have restrictions on visitation. CoreCivic has not responded and (b)(6),(b)(7)(C) is under full court press by a couple of media outlets.

(b)(6),(b)(7)(C) has just informed me that CoreCivic corporate has put a gag order on any local responses to this case (see attached), so a reply from the Warden does not appear to be forthcoming in the immediate future. I believe that we should just have Bryan say that the "Stewart Detention Center is an IGA operated by the CoreCivic Corporation under the directives set forward in the Performance Based National Detention Standards 2011. ICE cannot comment on operational decisions made by Core Civic employees and defers questions to CoreCivic for response."

Let me know how you want to proceed. I believe (b)(6),(b)(7)(C) has an approaching deadline with NPR on this.

Hey (b)(6);(b)(7)(C)

Given all our recent conversations about ICE detention and the Stewart Detention Center I wanted to make sure you received this directly from me this morning. Sadly, ICE had its first fatality at Stewart in more than eight years yesterday. The last death of a person in custody at Stewart prior to yesterday took place in March 2009. While the situation yesterday is unfortunate and will be subject to a full investigation, statistically, deaths in ICE detention are exceptionally rare at approximately 10x lower than the U.S. prison national average.

Again, as you can read in the release, there will be a full investigation. The news release is attached. Thanks.

We are starting to get multiple media outlets asking about the refusal to allow visitation for Jimenez on Sunday. It would be very preferable to knock this down before media speculation gets out of hand and fantastical stories come out that we have to defend against. Please tell the Warden that we need a summary of what occurred last Sunday when they attempted to visit NLT 1400.

We already queried SDC on this yesterday. We are waiting for an explanation of why El Refugio was turned away. It may have been a safety and security issue depending on the mental state/demeanor of Jimenez. But we will await further clarification. To my knowledge, SDC is PBNDS compliant and would not restrict El Refugio as a matter of internal policy.

Hey (b)(6),(b)(7)(C)

I'm writing a follow-up about the death of Jean Jimenez-Joseph. Immigrant rights advocates at El Refugio say his mother expressed concern about his well-being in the days leading to his death and asked the advocates to visit him at Stewart but they were prevented from doing so because of restrictive visitation policies related to his isolation.

"We are gravely concerned that Jean Carlos may not have received the mental health services he required while detained" said (b)(6),(b)(7)(C) Chair of El Refugio's Board of Directors. "His solitary confinement," continued (b)(6),(b)(7)(C) may have exacerbated his isolation and further impacted any mental health issues." This is especially concerning as the effects of solitary have been repeatedly studied and linked to deterioration of mental health.

Will do. And obviously, I'm declining to give any additional comments about either death specifically as they are under investigation. I'm simply addressing big-picture policy and procedure questions largely by referring reporters to the relevant sections of PBNDS to show what we do and don't do. Activist groups are, unsurprisingly, trying to exploit these deaths by making a lot of false claims.

Reporters are openly stating that ERO denied the visit and that is not accurate. My sole intent here is to protect ERO, and I'll be as sensitive as possible to not criticize CoreCivic in doing so.

For your awareness, (b)(6);(b)(7)(C) and I are on the same page on this. We are trying to allow CoreCivic the opportunity to explain why they refused visitation to Jimenez on Sunday. Under PBNDS, this is allowed in the event that the safety and security of the facility might be affected by visitation. However, the optimal is that ICE detainees in seg do not have restrictions on visitation. CoreCivic has not responded and (b)(6);(b)(7)(C) is under full court press by a couple of media outlets.

(b)(6);(b)(7)(C) has just informed me that CoreCivic corporate has put a gag order on any local responses to this case (see attached), so a reply from the Warden does not appear to be forthcoming in the immediate future. I believe that we should just have Bryan say that the "Stewart Detention Center is an IGA operated by the CoreCivic Corporation under the directives set forward in the Performance Based National Detention Standards 2011. ICE cannot comment on operational decisions made by Core Civic employees and defers questions to CoreCivic for response."

Let me know how you want to proceed. I believe (b)(6);(b)(7)(C) has an approaching deadline with NPR on this.

ERO Atlanta,

I need the following addressed **ASAP** for AD:

The EARM notes and the E/S indicate that IHSC acknowledged Subject has “medical” issues that were being treated. Apart from physical problems of which I find no mention made, isn’t it more accurate to state that Subject was being treated for “mental health issues” (see IHSC email attached)?

Subject in SHU – wasn’t he placed there for disciplinary seg? I see in EARM he had gotten into a fight with another detainee and that he had to clear medical before going to the SHU...had he been in GP up to the point of transfer to the SHU?

The EARM notes and the E/S indicate that IHSC acknowledged Subject has “medical” issues that were being treated. Apart from physical problems of which I find no mention made, isn’t it more accurate to state that Subject was being treated for “mental health issues” (see IHSC email attached)?

- Most of his medical issues (and medication) were related to mental health as indicated by IHSC, but he also had asthma and was on an albuterol inhaler (also indicated by IHSC)

Subject in SHU – wasn’t he placed there for disciplinary seg? I see in EARM he had gotten into a fight with another detainee and that he had to clear medical before going to the SHU...had he been in GP up to the point of transfer to the SHU?

- That was another incident, but yes, he was in disciplinary segregation at the time of this occurrence. This period of segregation began on 4/27/17 and he was due for release on 5/19/17 – Notes from SRMS:

(b)(6),(b)(7)(C): On April 27, 2017 Detainee Jimenez-Joseph Jean #204603723 was housed in the SMU for any act that could endanger a person and or property (code 223). This incident involved detainee jumping from the top tier to the bottom tier in Unit4B. On May 2, 2017 the Confinement Review Committee reviewed Jimenez-Joseph case recommending that he remain segregated from the general population for Administrative reasons. On May 2, 2017 the Institutional Disciplinary Panel Hearing was conducted and the detainee was found guilty of Code 223 and was sentenced to 20 days of disciplinary segregation. On May 2, 2017 Detainee Jimenez-Joseph Jean #204603723 received a disciplinary report for Indecent exposure (code 300). This incident involved detainee calling the nurse to come to his door and exposing himself. On May 5, 2017 the Institutional Disciplinary Panel Hearing was conducted and the detainee was found guilty of Code 300 and was sentenced to 3 days of disciplinary segregation. On May 9, 2017 the Confinement Review Committee reviewed Jimenez-Joseph case recommending that he remain segregated from the general population for Disciplinary reasons. Release Date: 5/19/2017

Let me know if you need anything else.

ERO Atlanta,

I need the following addressed **ASAP** for AD:

The EARM notes and the E/S indicate that IHSC acknowledged Subject has "medical" issues that were being treated. Apart from physical problems of which I find no mention made, isn't it more accurate to state that Subject was being treated for "mental health issues" (see IHSC email attached)?

Subject in SHU – wasn't he placed there for disciplinary seg? I see in EARM he had gotten into a fight with another detainee and that he had to clear medical before going to the SHU...had he been in GP up to the point of transfer to the SHU?

Subject: Detainee Death: JIMENEZ Joseph

Sir,

First and foremost, I am so sorry for the loss at your facility. As you're aware, the IHSC Investigations Unit (IIU) conducts on-site mortality reviews for ICE detainee deaths. As a result of Mr. JIMENEZ Joseph (A204 603 723) unfortunate death, I have been assigned as the lead investigator to conduct the on-site review. I am hoping to schedule my visit within the next few weeks. I will also work closely with a Medical Quality Management Unit (MQMU) risk management specialist who will be coordinating the Root Cause Analysis (RCA). In turn, we will coordinate our investigations to minimize the interruptions of your day-to-day operations.

First, please ensure that all medical record documents are scanned into the detainee's medical record as soon as possible, e.g. MARs, consent/refusals, hospital/consultant records, etc.

Please send me a copy of the following information at your earliest opportunity:

1. The current staff schedule that covers the next month.
2. All EMS and hospital records when they become available (and scan into eCW when received).
3. All incident reports related to the significant incident(s) (e.g. medical and custody incident reports).
4. All written statements related to the significant incident (e.g. witness statements written by medical and/or custody officers.)
5. Request hold on all personal property and all medications
5. The autopsy report (if performed and when available; and scan into eCW when received).
6. The death certificate (when available; and scan into eCW when received).
7. The name and contact information for your AFOD.
8. Any rules/restrictions for visiting the facility.

Please let me know if you have any upcoming inspections or other events where an on-site visit during that time would strain the resources at your facility and I will do my best to visit around those timeframes. Also, I wanted to remind you that the ICE employee assistance program (EAP) is available for the staff, if needed. Their contact number is listed as (800) 222-0364. Feel free to contact me at any time.

Thank you in advance,

Based on your own knowledge, what did you see, hear, and do?

On 5-15-17 at 0045 hours I, OFFICER (b)(6),(b)(7)(C) was making rounds in Unit 7A. When I look into cell # 202 I saw detainee JIMENEZ, J. A# 204603723 hanging from a sheet that was tied to the sprinkler head in his cell. I called a medical emergency and went to the control room to get the cut down tool. When I arrived back at the cell, OFFICER (b)(6),(b)(7)(C) had arrived from 7B. I opened the cell door and called to detainee JIMENEZ, but he was unresponsive. OFFICER (b)(6),(b)(7)(C) held the detainee up while I used the cut down tool to cut down detainee JIMENEZ. After cutting him down me and OFFICER (b)(6),(b)(7)(C) laid the detainee on the floor and checked to see if he was breathing. We could not see any sign of breathing or pulse. OFFICER (b)(6),(b)(7)(C) started chest compressions while I tried to loosen the sheet that was around his neck. I called the captain and ERT again and told them I really needed them down in segregation ASAP. I went to look for the face mask so that I could give breaths to the detainee. I got one out of the ERT camera bag, but before I could use it, medical had arrived and took over C.P.R. medical

Attached is a detainee death checklist. The FOD is making notification to FieldOps and Chief Counsel. The first thing that you need to do is notify the JIC and then roll out to Stewart as OIG or OPR will probably roll out on this. Thereafter the checklist is self-explanatory, the next of kin info being the biggest challenge. We will need to notify the Panamanians when they open and the policy reads that the NOK should be notified by their consulate, if they will do it.

Thanks,

The attorney did mention that if ICE would not pay for the shipment costs that the family would likely cover it. He just wanted to know our policy and I informed him that I would get back to him later.

I spoke to the Coroner and she volunteered to call several funeral homes in NC to obtain an estimate of how much this may cost.

Well that is unfortunate. Call a local funeral home up there, the coroner generally deals with someone, and get a price (as I recall from a prior incident the arrangements are done through a funeral home). If the price exceeds the P-card limit we will elevate.

John the county and coroner are much better equipped to handle these situations. If possible put the coroners office in touch with the sister to sort out disposition of the remains and stay out of the middle unless we have to step in. If there is no resolution then we will step in per our policy but the county deals with remains all of the time. We don't.

(b)(6),(b)(7)(C)

Please see the relevant information below regarding the disposition of remains. It is taken from *PBND 2011 (4.7 | Terminal Illness, Advance Directives and Death)*

A couple of thoughts. If the family cannot/will not pay, the cost to ERO for transporting the body will likely exceed the purchase card limit. This means contracting will have to be involved, which will likely be very time consuming.

G. Disposition of Remains

Within seven calendar days of the date of notification, either in writing or in person, the family shall have the opportunity to claim the remains. If the family chooses to claim the body, the family shall assume responsibility for making the necessary arrangements and paying all associated costs (e.g., transportation of body, burial).

If the family wishes to claim the remains, but cannot afford the transportation costs, ICE/ERO may assist the family by transporting the remains to a location in the United States. As a rule, the family alone is responsible for researching and complying with airline rules and federal regulations on transporting the body; however, ICE/ERO may coordinate the logistical details involved in returning the remains.

If family members cannot be located or decline orally or in writing to claim the remains, ICE/ERO shall notify the consulate, in writing, after which the consulate shall have seven calendar days to claim the remains and be responsible for making the necessary arrangements and paying all costs incurred (e.g., moving the body, burial).

If neither the family nor the consulate claims the remains, ICE/ERO shall schedule an indigent's burial, consistent with local procedures. However, if the detainee's record indicates U.S. military service, before proceeding with the indigent burial arrangements, ICE/ERO shall contact the Department of Veterans Affairs to determine whether the decedent is eligible for burial benefits.

The Chaplain may advise the facility administrator and others involved about religious considerations that could influence the decision about the disposition of remains.

Under no circumstances shall ICE/ERO authorize cremation or donation of the remains for medical research.

Pursuant to ICE policy, I am providing notification of the death of an ICE Detainee: Jean Carlos Alfonso JIMENEZ-Joseph, A204 603 723

ISSUE:

On May 15, 2017, FOD Atlanta reported the death of ICE detainee, Jean Carlos Alfonso JIMENEZ-Joseph, a 27 year old citizen of Panama, at the Phoebe Sumter in Americus, GA. Phoebe Sumter medical staff declared JIMENEZ deceased at 02:15 EDT, with a preliminary cause of death of suicide. The Department of Homeland Security (DHS), Office of Inspector General (OIG) and Office of Professional Responsibility (OPR) were notified via the Joint Intake Center (JIC). On November 25, 2013, USCIS approved JIMENEZ's DACA application, Form I-821D, with a designated expiration date of November 24, 2015.

On June 14, 2015, USCIS sent a DACA Expiration Notice Request to JIMENEZ.

On January 12, 2016, JIMENEZ submitted a second DACA application, Form I-821D, to USCIS.

On January 13, 2016, USCIS rejected JIMENEZ's second application for DACA, Form I-821D.

Sir,

First and foremost, I am so sorry for the loss at your facility. As you're aware, ICE Health Service Corps conducts on-site mortality reviews for ICE detainee deaths. As a result of Mr. JIMENEZ (A204 603 723) unfortunate death, I have been assigned as the lead investigator to conduct the on-site review. I am hoping to schedule my visit from June 6-8, 2017, with your approval.

Attached is a list of documents and information that I would like to obtain for review prior to my visit. I've already started working with HSA Blankenship to obtain much of the medical related information and some of the other documents, but the attached is a complete list of the information I am presently asking for.

Please let me know if there is an ERO POC that you would like me to coordinate my visit/requests through. I look forward to visiting the facility and meeting the staff. I just wished it was under better circumstances. Feel free to contact me at any time.

ICE detainee passes away at Georgia hospital

ATLANTA – A Panamanian national in the custody of U.S. Immigration and Customs Enforcement at the Stewart Detention Facility in Lumpkin, Georgia, died early Monday at an area hospital after he was found unresponsive in his cell and efforts by facility staff and emergency personnel to revive him were unsuccessful.

Jean Jimenez-Joseph, 27, was pronounced dead at Phoebe Sumter Medical Center in Americus, Georgia, at 2:15 a.m. The preliminary cause of death was ruled to be self-inflicted strangulation. Stewart facility staff conducting scheduled monitoring discovered Mr. Jimenez unresponsive in his cell with a sheet around his neck at approximately 12:45 a.m. Facility staff and medical personnel immediately began to perform CPR and contacted Stewart County Emergency Medical Services, which arrived at the facility at 12:57 a.m.

Consistent with the agency's protocols, the appropriate state health and local law enforcement agencies have been notified about the death, as have the Department of Homeland Security's Office of Inspector General and the ICE Office of Professional Responsibility. Additionally, ICE has advised Panamanian consular representatives who have notified Mr. Jimenez's next of kin.

ICE is firmly committed to the health and welfare of all those in its custody and is undertaking a comprehensive agency-wide review of this incident, as it does in all such cases. Fatalities in ICE custody, statistically, are exceedingly rare and occur at a fraction of the rate of the U.S. detained population as a whole. This agency's comprehensive review will be conducted by ICE senior leadership to include Enforcement and Removal Operations, the Office of Professional Responsibility and the Office of the Principal Legal Advisor.

Mr. Jimenez entered ICE custody March 2 in Wake County, North Carolina, pursuant to an ICE immigration detainer following his release from local law enforcement custody after his Jan. 5 felony conviction for larceny of a motor vehicle. At this time of his death, Mr. Jimenez was in immigration removal proceedings.

Mr. Jimenez is the seventh individual to pass away in ICE custody in fiscal year 2017. He is the first fatality of a detainee from the Stewart Detention Center in more than eight years.

Notice to Respondent

Warning: Any statement you make may be used against you in removal proceedings.

Alien Registration: This copy of the Notice to Appear served upon you is evidence of your alien registration while you are under removal proceedings. You are required to carry it with you at all times.

Representation: If you so choose, you may be represented in this proceeding, at no expense to the Government, by an attorney or other individual authorized and qualified to represent persons before the Executive Office for Immigration Review, pursuant to 8 CFR 3.15. Unless you so request, no hearing will be scheduled earlier than ten days from the date of this notice, to allow you sufficient time to secure counsel. A list of qualified attorneys and organizations who may be available to represent you at no cost will be provided with this notice.

Conduct of the hearing: At the time of your hearing, you should bring with you any affidavits or other documents, which you desire to have considered in connection with your case. If you wish to have the testimony of any witnesses considered, you should arrange to have such witnesses present at the hearing.

At your hearing you will be given the opportunity to admit or deny any or all of the allegations in the Notice to Appear and that you are inadmissible or removable on the charges contained in the Notice to Appear. You will have an opportunity to present evidence on your own behalf, to examine any evidence presented by the Government, to object, on proper legal grounds, to the receipt of evidence and to cross examine any witnesses presented by the Government. At the conclusion of your hearing, you have a right to appeal an adverse decision by the immigration judge.

You will be advised by the immigration judge before whom you appear of any relief from removal for which you may appear eligible including the privilege of departure voluntarily. You will be given a reasonable opportunity to make any such application to the immigration judge.

Failure to appear: You are required to provide the DHS, in writing, with your full mailing address and telephone number. You must notify the Immigration Court immediately by using Form EOIR-33 whenever you change your address or telephone number during the course of this proceeding. You will be provided with a copy of this form. Notices of hearing will be mailed to this address. If you do not submit Form EOIR-33 and do not otherwise provide an address at which you may be reached during proceedings, then the Government shall not be required to provide you with written notice of your hearing. If you fail to attend the hearing at the time and place designated on this notice, or any date and time later directed by the Immigration Court, a removal order may be made by the immigration judge in your absence, and you may be arrested and detained by the DHS.

Mandatory Duty to Surrender for Removal: If you become subject to a final order of removal, you must surrender for removal to one of the offices listed in 8 CFR 241.16(a). Specific addresses on locations for surrender can be obtained from your local DHS office or over the internet at <http://www.ice.gov/about/dro/contact.htm>. You must surrender within 30 days from the date the order becomes administratively final, unless you obtain an order from a Federal court, immigration court, or the Board of Immigration Appeals staying execution of the removal order. Immigration regulations at 8 CFR 241.1 define when the removal order becomes administratively final. If you are granted voluntary departure and fail to depart the United States as required, fail to post a bond in connection with voluntary departure, or fail to comply with any other condition or term in connection with voluntary departure, you must surrender for removal on the next business day thereafter. If you do not surrender for removal as required, you will be ineligible for all forms of discretionary relief for as long as you remain in the United States and for ten years after departure or removal. This means you will be ineligible for asylum, cancellation of removal, voluntary departure, adjustment of status, change of nonimmigrant status, registry, and related waivers for this period. If you do not surrender for removal as required, you may also be criminally prosecuted under section 243 of the Act.

Alien Registration: This copy of the Notice to Appear served upon you is evidence of your alien registration while you are under removal proceedings. You are required to carry it with you at all times.

Representation: If you so choose, you may be represented in this proceeding, at no expense to the Government, by an attorney or other individual authorized and qualified to represent persons before the Executive Office for Immigration Review, pursuant to 8 CFR 3.16. Unless you so request, no hearing will be scheduled earlier than ten days from the date of this notice, to allow you sufficient time to secure counsel. A list of qualified attorneys and organizations who may be available to represent you at no cost will be provided with this notice.

Conduct of the hearing: At the time of your hearing, you should bring with you any affidavits or other documents, which you desire to have considered in connection with your case. If you wish to have the testimony of any witnesses considered, you should arrange to have such witnesses present at the hearing.

At your hearing you will be given the opportunity to admit or deny any or all of the allegations in the Notice to Appear and that you are inadmissible or removable on the charges contained in the Notice to Appear. You will have an opportunity to present evidence on your own behalf, to examine any evidence presented by the Government, to object, on proper legal grounds, to the receipt of evidence and to cross examine any witnesses presented by the Government. At the conclusion of your hearing, you have a right to appeal an adverse decision by the immigration judge.

You will be advised by the immigration judge before whom you appear of any relief from removal for which you may appear eligible including the privilege of departure voluntarily. You will be given a reasonable opportunity to make any such application to the immigration judge.

Failure to appear: You are required to provide the DHS, in writing, with your full mailing address and telephone number. You must notify the Immigration Court immediately by using Form EOIR-33 whenever you change your address or telephone number during the course of this proceeding. You will be provided with a copy of this form. Notices of hearing will be mailed to this address. If you do not submit Form EOIR-33 and do not otherwise provide an address at which you may be reached during proceedings, then the Government shall not be required to provide you with written notice of your hearing. If you fail to attend the hearing at the time and place designated on this notice, or any date and time later directed by the Immigration Court, a removal order may be made by the immigration judge in your absence, and you may be arrested and detained by the DHS.

Mandatory Duty to Surrender for Removal: If you become subject to a final order of removal, you must surrender for removal to one of the offices listed in 8 CFR 241.16(a). Specific addresses on locations for surrender can be obtained from your local DHS office or over the internet at <http://www.ice.gov/about/dro/contact.htm>. You must surrender within 30 days from the date the order becomes administratively final, unless you obtain an order from a Federal court, immigration court, or the Board of Immigration Appeals staying execution of the removal order. Immigration regulations at 8 CFR 241.1 define when the removal order becomes administratively final. If you are granted voluntary departure and fail to depart the United States as required, fail to post a bond in connection with voluntary departure, or fail to comply with any other condition or term in connection with voluntary departure, you must surrender for removal on the next business day thereafter. If you do not surrender for removal as required, you will be ineligible for all forms of discretionary relief for as long as you remain in the United States and for ten years after departure or removal. This means you will be ineligible for asylum, cancellation of removal, voluntary departure, adjustment of status, change of nonimmigrant status, registry, and related waivers for this period. If you do not surrender for removal as required, you may also be criminally prosecuted under section 243 of the Act.
